Dear Rafal, Namaskar,

Reading the residential changes article, it is good in terms of the techniques given.

Can you also shed some light on how to see when a person buys a property actually.

I am thinking that

1. Buying a property usually increases the status so HL or GL should have influence on the dasa.

2. Also if the person takes a big loan to buy then that should also be indicated.

Please can you clarify.

Regards,

Ashish

Dear Ashish, Namaskar

Big loans are connected to eight bhava, while buying property must involve forth bhava (or kona), so this places should be involved in D1, D2 and D4.

A2 in D4 will show how the native will buy property.

One should wait with any serious decisions when planets in 2/7 from 4H / A4 (in D4) are activated in Dasa.

Dear Rafalji,

Namaste,

Few months back, I'd asked for ur guidance on job change n residential change on a particular MALE chart.

Chart was

DOB:23.SEPT.1969

PLACE:CUTTACK,INDIA

TIME:09.00

The Native started his carrer in 2001 in finace field as a senior Govt. Official.He left his native place to southern part of india in 2001.It's clear ,if we analyse d/1 or d/4 ,also tenth from moon in D-10 n D-1.

After the native ran into Sani mahadasa /by analysing narayan dasa ,we concluded that now it'

ll be South or South East.But the native'd got his job transfer(in same organisation)

to North East Direction;also near to his native.It happened in May'2008.

Please give ur guidance/comments on it and is it good for the native?

Thanks n Regards
Rati
